

WELCOME IN THE YORK ZONES

About us York Zones

MAIN OBJECTIVE OF YORK ZONES :-

Drop shipping is the main objective of York zones.

The company will tie up with the manufacturers and display their Product on the site. Any of our customer wants to buy the product, he/she will order on the site. The company will forward the order to the manufacture. The manufacture will drop the said order directly to the customer's address. Thus the customer will buy the product directly from the manufacturer at the lowest prices.

OWN PRODUCT :

The company has its own products in the brand name of "York" These York products will also available in the open market as well as on the company site. The business will be traditional Business of the company.

Service sector :

When in any area, our team cross 100 customers, then the company will tie up with different service sectors in that particular area such as Insurance, Marriage palaces, Real Estate, Hospitals, Medical Stores, Restaurants etc. where our customers will use the services on reasonable discount.
